sirangjeevi123@gmail.com

Performance-driven Business Development professional with 2.1 years of experience in the IT sector and 4 years in the non-IT sector . Business Development professional with 2.1 years of experience across ERP solutions, digital marketing, and customer engagement. Proven expertise in **LinkedIn Ads, Sales Navigator, and SEM**, with working knowledge of **SEO and Meta Ads**. Previously leading a high-performing **8-member sales team** at GwayERP, driving strategic growth through digital outreach and consultative selling. Skilled in cold email campaigns, lead qualification, and B2B client acquisition in tech-focused industries

EMPLOYMENT HISTORY

Amvion Labs Pvt. Ltd., Chennai, India

Jul 2025 – Sep 2025

Manager – Business Development | Application & AI

Lead **end-to-end business development and market expansion** for **ObserveLite**, Amvion’s AI-powered observability & security platform.

Drive **product positioning, client engagement, and market outreach**, collaborating with technical, marketing, and sales teams to deliver a unified solution for **DevOps, SRE, and IT Ops** teams.

Generate **qualified leads from multiple sources** (digital campaigns, partnerships, outbound outreach, and events) to build a strong sales pipeline.

Manage the Digital Marketing (DM) team and oversee client relationships for all DM service engagements, ensuring smooth delivery and measurable ROI.

Help enterprises gain **real-time system visibility**, reduce downtime, and accelerate **root-cause analysis** through the platform’s **GenAI engine (OL-GPT)**.
